AMERICAN KENNEL CLUB

Schedule of Points for Division No. 15

EFFECTIVE MAY 16, 2012

Division 15 is comprised of: Illinois, Michigan, Minnesota, Wisconsin.

For complete Conformation Championship requirements see **Chapter 16** of the *Rules Applying to Dog Shows*

The Points toward a Championship shall be awarded to the Winners Dog and Bitch of each breed or variety based on the actual number of dogs or bitches competing in that breed or variety.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Breed or Variety, the dogs of both sexes that have been entered for Best of Breed or Variety competition and that have been defeated in such competition, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

If the dog designated Winners Dog or Winners Bitch is also awarded Best of Opposite Sex to Best of Breed or Variety, the dogs of its own sex that have been entered for Best of Breed or Variety competition that have been defeated in competition for Best of Opposite Sex, shall be counted in addition to the dogs that completed in the regular classes for its sex in calculating championship points.

After points have been computed for Winners Dog and Winners Bitch subject to the above two stipulations, the dog awarded the Best of Winners shall be credited with the number of points calculated for Winners Dog or Winners Bitch, whichever is greater.

In counting the number of eligible dogs in competition, a dog that is disqualified, or that is dismissed, excused or ordered from the ring by the judge, or from which all awards are withheld shall not be included. Any dog which shall have won fifteen points shall become a Champion of Record, if six or more of said points shall have been won at two shows with a rating of three or more championship points each and under two different judges, and some one or more of the balance of said points shall have been won under some other judge or judges than the two judges referred to above.

DOGS COMPETING TO OBTAIN RATINGS LISTED BELOW

—Scale of Points—		1	2	3	4	5
Italian Greyhounds	Dogs	2	3	5	6	7
	Bitches	2	3	5	6	8

ALL TROPHIES MUST BE PICKED UP EACH DAY OF THE SPECIALTY SHOW

-NONE WILL BE MAILED-

Judges are not required to wait for dogs. They will adhere as closely as possible to the judging schedule printed in this program. The owner or handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The show-giving Club and Superintendent have no obligation or responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required. Being an unbenchd show, you need to be at show only in time for your judging and may leave any time after judging. Numbers before each Breed represent the number of dogs entered in (1) the regular dog classes; (2) regular bitch classes; (3) Specials Only, Best of Breed or Best of Variety Competition; and in (4) Non-Regular classes.

For your convenience, the following class divisions have been carefully tabulated; however, neither the Club nor the Superintendent assumes responsibility for absolute accuracy.

I first met "Tink" when my son Jeff and I were looking for an IG. We had just lost our first, a blue male, to cancer and were looking to replace him. Tink had a litter, with a blue bitch that we really liked... But the litter was too young to place, so she then showed us a fawn bitch that was about a year and a half old, and a show dog. We were doubtful; we wanted another blue male. But after much discussion, we decided to see how it would work out. Of course we all fell in love with "Fondel". Little did we know what we were getting into, by entering the world of dog shows; travel, competition and breeding.

Tink taught me to show. She insisted on serious lessons once a week at the family farm; Millstone Farm, with Millstone being her kennel name. She was a great teacher and before too long, I was ready. We went to my first show and all of her training paid off. We soon became best friends and traveled to shows together. Fortunately her husband Matt applauded her IG passion and even convinced my husband.

Tink had a wonderful way with dogs, a great sense of touch, but also an understanding of the nature of IGs. She worked at her local Kennel Club and of course with the IGCA. She was Show Chairman for many years at Ravenna. She enjoyed the sport and it was a sport; fun, yes, competitive, yes, but not cutthroat. At Ravenna, Tink visited with all exhibitors and went out to eat and have fun.

In 1982 we had the opportunity to buy the Italian Greyhound magazine... Both of our husbands said, "go for it", and we did. Tink said it was an extension of our IG world. Unfortunately, one year when Tink was Chairman at Ravenna, her husband died in a boating accident. This totally changed her life as Matt encouraged her to do everything. Several years later, Tink remarried and moved to Pakistan with her new husband and of course her IGs. She sold me her half of the magazine as she anticipated a long stay. This did not work out and Tink returned home, divorced and returned to the farm. She continued to breed and love IGs, but her life had changed and she was less interested in travel, and even showing. Her devotion to the IGCA was always a constant. For those of us who remember her, we know the IG world was better because of Tink.

Italian Greyhound Breed Standard

Description

The Italian Greyhound is very similar to the Greyhound, but much smaller and more slender in all proportions and of ideal elegance and grace.

Head

Narrow and long, tapering to nose, with a slight suggestion of stop. Skull Rather long, almost flat. Muzzle Long and fine. Nose Dark. It may be black or brown or in keeping with the color of the dog. A light or partly pigmented nose is a fault. Teeth Scissors bite. A badly undershot or overshot mouth is a fault. Eyes Dark, bright, intelligent, medium in size. Very light eyes are a fault. Ears Small, fine in texture; thrown back and folded except when alerted, then carried folded at right angles to the head. Erect or button ears severely penalized.

Neck

Long, slender and gracefully arched.

Body

Of medium length, short coupled; high at withers, back curved and drooping at hindquarters, the highest point of curve at start of loin, creating a definite tuck-up at flanks.

Shoulders

Long and sloping.

Chest

Deep and narrow.

Forelegs

Long, straight, set well under shoulder; strong pasterns, fine bone.

Hindquarters

Long, well-muscled thigh; hind legs parallel when viewed from behind, hocks well let down, well-bent stifle.

Feet

Harefoot with well-arched toes. Removal of dewclaws optional.

Tail

Slender and tapering to a curved end, long enough to reach the hock; set low, carried low. Ring tail a serious fault, gay tail a fault.

Coat

Skin fine and supple, hair short, glossy like satin and soft to the touch.

Color

Any color and markings are acceptable except that a dog with brindle markings and a dog with the tan markings normally found on black-and-tan dogs of other breeds must be disqualified.

Action

High stepping and free, front and hind legs to move forward in a straight line.

Size

Height at withers, ideally 13 inches to 15 inches.

Disqualifications

A dog with brindle markings. A dog with the tan markings normally found on black-and-tan dogs of other breeds.

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of his breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

How To Figure Points If Your Champion Dog or Bitch Goes Best of Breed

Grand Championship (GCH) points for BOB will be calculated according to the number of dogs of both sexes competing in the regular classes, as well as those dogs competing in Best of Breed competition. In no case shall BOB receive fewer GCH points than BOS.

A dog awarded BOS will be credited with all of the dogs of that sex competing in the regular classes, as well as those dogs of that sex competing in BOB.

A dog awarded Select Dog or Select Bitch will be credited with all of the dogs of that sex defeated in the regular classes, as well as those dogs of that sex defeated in BOB (i.e. Two less than the total entry of their sex.)

GCH points may only be awarded to Champions that are entered in BOB or winners of non-regular classes that are competing in BOB.

TIPS: Veteran dogs or any other non-regular class dogs are not counted in determining points. All eligible entrants from non-regular classes can earn Grand Championship points. Any Champion dog from the regular or non-regular classes is not considered for the requirement to defeat at least one Champion of Record at three shows.

TIPS: When counting dogs in competition, you only count dogs present that are judged. Dogs that are disqualified, dismissed, excused, absentee or have all awards withheld do not count.
